To our Valued Customers and Suppliers

Alger Precision Machining, LLC ("Alger") is aware that Governor Newsom's Executive Order N-33-20 ordered all non-essential businesses to close effective March 19, 2020. Alger's operations are exempt from closure and travel restrictions because it is part of the Essential Critical Infrastructure; including Critical Manufacturing for Medical, Transportation and the Defense Industrial Base.

We also recognize that we have an important responsibility to continue to support our customers, who also are a part of the Essential Critical Infrastructure.

The safety of our people, our customers, and the community in which we operate are our top priorities. Alger continues to closely monitor the latest COVID-19 updates and is taking all appropriate actions.

Regards,
